

Robotic Explorers provides lunch for our workshop through our partner Jason’s Deli. Jason’s Deli provides healthy meal options for all of its customers and these choices are reflected below. Each meal item is prepared fresh.

Each lunch is served a full sandwich with baked chips, pickle, a piece of seasonal, whole fruit, and a choice of beverage. Packets of Mayo and Mustard are available with the specific meals. There are meal options listed below for gluten-free, dairy-free, or vegetarian diners.

Please choose 1 sandwich option below.

- \_\_\_\_\_ Organic peanut butter & jelly
- \_\_\_\_\_ Organic peanut butter & jelly on gluten-free bread
- \_\_\_\_\_ Oven-roasted turkey breast
